ARTICLE X – EXPANSION POLICY

Section I. Responsible Growth Philosophy

In accordance with the North American Interfraternity Conference's Position on Responsible Growth, the IFC at Rochester Institute of Technology believes the best interests of higher education and of the fraternity movement are served through the establishment of new chapters that provide a fraternal experience for an increasing number of college men. Expansion gives people more choices; it brings new influence and direction to a campus fraternal community; it provides new leadership and renewed

motivation. To that end, the Member Chapters of the IFC:

- A. Will not prohibit a NIC Member Chapter from selecting undergraduates for the purpose of establishing a chapter on the campus; and
- B. Will not deter expansion by withholding membership in the IFC for any NIC Member Fraternity

Section II. Responsible Growth Protocols

The IFC and its member chapters will follow the following responsible growth protocols in its expansion process:

- A. All IFC member chapters will actively support the responsible growth of other NIC fraternities provided that the national organization follows these Responsible Growth Protocols:
 1. Proactively communicates with the campus administration and IFC in good faith prior to any expansion activity.
 2. Considers any available readiness assessment before formally requesting the opportunity to join the IFC.
 3. The group does not have any outstanding, documented campus health and safety violations.
- B. If the inter/national organization follows the Responsible Growth Protocols:
 1. Any NIC member fraternity, upon expressing interest to establish a chapter, will be given a time by the IFC for the expansion to occur. The IFC can determine the best academic term for the expansion, and no later than 4 years from when the national organization first contacted the IFC.
 2. NIC member fraternities with an interest group already formed will be granted IFC recognition, though the IFC may elect to have an associate member status provided reasonable written expectations and metrics are established to move from associate member status to full member status.
 3. The IFC will never take a vote on recognition or expansion for an NIC member fraternity.
 4. The IFC will never require NIC member fraternities to present an expansion proposal to the IFC, although the IFC may require the NIC member fraternity to submit documentation or do a virtual presentation to determine the best academic term for expansion.
- C. IFC will not restrict any group from joining the IFC that meets the membership criteria.
- D. The IFC will honor all organizational return agreements negotiated as part of a campus or IFC conduct process. Any organization returning to campus based on a return agreement will not be required to participate in any IFC or campus expansion process.

Section III. Granting of Associate Member Status

Associate Membership grants the Member Chapter all rights, privileges, and responsibilities under the IFC Constitution and By-Laws, except that it does not have voting privileges, cannot hold IFC Executive Board positions, nor have an IFC Judicial Committee Justice.

(e.g, the Recruitment Calendar for Spring 2023 must be voted on and passed by Week 10 of the Fall 2022 semester). By the end of the same semester, recruitment schedules for each member chapter must be submitted and registered to IFC and RIT Events EMS.Systems (e.g, the Recruitment Calendar Events of the member chapters for Spring 2023 must be submitted and registered by the end of the Fall 2022 semester).

If member chapters post any recruitment schedules through physical or digital publication before approval, that member chapter may be subject to a judicial hearing at the discretion of the Vice President of Judicial Affairs.

The IFC Vice President of Recruitment shall solicit and maintain a Potential New Member Roster, which shall be a roster of people interested in fraternity recruitment, and shall make that list available to each Member Chapter.

Section VIII. Comity

No Member Chapter shall initiate communication with a New Member or Member of another Member Chapter about disassociation / de-pledging in order to become a New Member or Member of their own Member Chapter.
